

**Title** : Catch The Wind (Carpetbagger)  
**Composer** : Don Ferdinands  
**Lyricist** : Don Ferdinands, Karen Ferdinands

Verse 1

You spend your life, looking for gold.  
And you're willing, to sell your soul.  
You don't care, just who gets hurt.  
As you crawl, through the dirt.

Chorus

Your talk of riches, is all a spin.  
Might as well, chase the wind.

Verse 2

You try to act, like a millionaire.  
And you pretend, like you really care.  
You speak of fortunes that we can make.  
But I feel safer, with a snake.

Chorus

Your talk of riches, is all a spin.  
Might as well, chase the wind.  
Chase the wind.
