

Title : Sombong (feat. Ahli Fiqir)

Composer : Taufik Batisah

Lyricist : Taufik Batisah / Imran Ajmain, Rap Lyrics : Ahli Fiqir

Ada yang memerhati, Setiap gerak dan geri
Benarkah
Siapa lebih berani
Yang berkata, Yang berdiam diri
Cuba terangkan

Pre-Chorus

Tak melihat dengan mata
Kau berkata ikut suka , Mengapa
Ku jadi buntu kepala
Adakah benar ku bersalah
Siapa harus ku percaya
Kata orang atau berita (dibibir)
Begini
Ku masih punya harga diri

Chorus

Sombong
Tak ambil tahu, Sebenarnya diri ku ini
Sombong
Mungkin ni takdir, Tiada jalan keluar
Sombong
Takkan ku merendahkan diri pada tipu helah
Sombong
Kau cuba tapi kau takkan berjaya

Bukan nya semula jadi
Sentiasa percaya an
Kita manusia
Biar apa pun terjadi
Ku takkan mengundur diri
Cuba lihat diri ku nanti

(Translation)

Arrogance

Is there somebody's watching my every move

I just can't tell
Who do you respect
One who gossips or One who speaks the truth
Please explain

Pre-chorus

You don't really know the truth
But you insist what you hear is true
You're driving me crazy
I ask myself N actually did something wrong
What do you wish to believe?
The things people say or the truth
I still have my pride

Chorus

Arrogance
You don't really care to hear the truth about me
Arrogance
Maybe this is destiny and there's no way out from this
Arrogance
I'll never lower myself to all these lies
Arrogance
You're trying to break me down but you'll never succeed

Nobody in this world
Is born to be perfect
We are only human
No matter what happens
I will never back down
Trust me, Wait and see
