

**Title : I Promise Forever**

**Composer : Taufik Batisah**

**Lyricist : Taufik Batisah**

I feel your fingers running thru my hair  
I hear you breathing closely by my side  
I see looking with those big brown eyes  
There's nothing like you girl you're one of a kind

Do you really know what you mean to me  
I'll do anything girl just to see you smile

**Chorus**

I'll always be there right by your side  
You never should ever run and hide  
Whenever you need me  
I will be waiting  
To give you everything and more so  
Don't ever deny this love we share  
For better or worst girl I'll be there  
I promise forever  
I'll be here with you  
To hold you in my arms

I just can never get enough of your love  
I got this feeling you were sent from above.. .oh baby  
I see looking with those big brown eyes  
My kind of something, yeah you're one of a kind

Do you even know what you mean to me  
I'll give everything girl just to see you smile

**Bridge**

Can't imagine this life without you  
I've never felt so complete  
I'm gonna love ya, even when we're old and grey  
All you gotta know is
