

Title : Say You Love Me (Loving You)

Composer : Dick Lee

Lyricist : P. Austin, M. Riperton, R. Rudolph

Don't you know that I want to be more than just a friend
Holding hands is fine, but I've got better things
On my mind
You know it could happen
If you'd only see me in a different light
If you'd only say you love me, baby
You would see that I was right

Chorus

Say you love me
You know that it could be nice
If you'd only say you love me
Don't treat me like I was ice
Please love me
I'll be yours and you'll be mine
Baby when we finally get together
Things will really work out fine

La la la la etc.

Repeat

Loving you is easy 'cos you're beautiful
Making love to you is all I wanna do

La la la la etc.

Repeat chorus
