

**Title : Ananda**

**Composer : Kathir / Shiva**

**Lyricist : Kathir**

As you seek the pleasures in life  
It slowly turns into pain  
The titillating moments of joy  
Torment you till the end

Can't stand the test of time?  
The ways of the world are so sublime  
The cycle of rise and falls  
Makes you go out of line

Trying to satisfy this insatiable hunger  
But all your attempts turn futile  
The desire to know the beyond  
That makes your life so profound

The apparent needs lose its nobility  
The ecstasy you seek is your innate seed

If you want full control  
Dive deep into your soul  
Drown in the ocean of Ananda

No sense of time and space  
Knowledge is now bestowed  
Taste this divine nectar, Ananda

Feel the Bliss

Brahmananda, Vidyananda  
Omkananda, Paramananda

Feel the vibrations of the sacred syllable  
Feel the transcendence of your inner nature

Beyond both pleasure and pain  
Beyond Time and space  
It is within and without  
Lust for That

Brahmananda Feel the Bliss!  
Vidyananda Feel the Bliss!  
Omkaranda Feel the Bliss!  
Paramananda Feel the Bliss!
