

**Title : Moments Alone**

**Composer : Dwayne Tan**

**Lyricist : Dwayne Tan**

Taking a step back from my hurried life  
Taking in what I see before my eyes  
An image of me and then I realise  
How fast the moments of my world flies

Putting together all the pieces of the past  
Learning the answers to the questions that we ask  
We struggle with rights and wrongs  
They come too fast  
Sometimes everything seems like a task

Moments alone and the journey never stops  
Moments alone it's a long way to the top  
When I feel that I'm on my own  
I look up to the sky  
And I know I am not alone

Wondering everyday if things are as they seem  
Finding the balance between reality and dream  
I stand in the crowd but no one sees that I'm there  
And it really makes me think, if anybody cares

Moments alone and the journey never stops  
Moments alone it's a long way to the top  
When I feel that I'm on my own  
I look up to the sky  
And I know I am not alone  
And I know I am not alone
