

**Title : Haven In The Sun**

**Composer : Mel Ferdinands**

**Lyricist : Mel Ferdinands**

Walk along the seashore  
It is such a lovely sight  
The balmy breezes sweep across  
The sea that glistens bright  
Grains of sand beneath your feet  
Footprints made by you  
Standing still beside the waves  
Just dream of things to do

Marine Parade, Marine Parade  
A haven in the sun  
Marine Parade, Marine Parade  
Come join in the fun.

Bicycles for the young at heart  
Paths for those who walk  
Benches for the weary,  
There's a place where you can talk  
Fast foods for the hungry,  
There's a place for you to be  
And let us not forget about  
The cool inviting sea

Marine Parade, Marine Parade  
A haven in the sun  
Marine Parade, Marine Parade  
Come join in the fun.

Schools and institutions  
Yes we've got them all you see  
Don't you know Marine Parade's  
The place for you to be  
If education's on your mind,  
I'm sure you will agree  
Everything is in our  
Special haven by the sea

Marine Parade, Marine Parade  
A haven in the sun

Marine Parade, Marine Parade  
Come join in the fun.

Marine Parade, Marine Parade  
A haven in the sun  
Marine Parade, Marine Parade  
Come join in the fun.
