Composer : Dick Lee

Lyricist : Dick Lee

* Doo Doo Doo Doo Forever, Forever
Doo Doo Doo Doo For life!
Doo Doo Doo Doo Forever, Forever
Doo Doo Doo Doo Be mine!

Repeat *

I'd like to say
I'm glad to know you
You came my way at a perfect time
And now I pray
I'll never lose you
'Cos come what may, you will still be mine

** You're gonna stay in my heart
Forever
And though we might be a part
Sometimes
You'll always stay in my heart
Forever
I know you will be a part of my heart
In my mind

Repeat *

Sometimes we stray
From one another
Yet day by day, our love grows strong
Now hear me say
I love no other
So here we'll stay right where we belong

Repeat **
