

Title : Motorcycle Hero (Radio Edit)

Composer : X' Ho

Lyricist : X' Ho

Motorcycle hero
Motorcycle god
Motorcycle devil
Give me all you got

Love's true incantations
Love's divided ways
Love is now or never
Let it play it my way

Cos I don't want
And I don't need
The sympathy of your
Moral majority

(Nizam) :
Heaven sent me your way
Heaven hears you roar
Hell's in my possession
A purgatorial bore

Make the most of your strength
Rip through jungle-land
I'll be holding my breath
I will cast my net
Motorcycle hero...
Cos I don't want...

(Ahmad) :
Majority? Hey, they don't know
What becomes a hero most
This motorbike revved up to go
A super stud, buddy hero
Motorcycle hero...

Love's true incantations
Love's divided ways
Love me now or never
Play me for a day

Cos I don't want...

Motorcycle hero, motorcycle god,
Motorcycle devil
You devil you

(**Ahmad**) :

Swim the sea and cast aside
The mighty drift of wounded pride
No one ought to feel ashamed
Of the beauty of god or the devil's name
Push on thru, we're here,
Just me and you

Inspired by Napalm Death
