

**Title : How Much Is Too Much?**

**Composer : Famie Suliman**

**Lyricist : Famie Suliman**

What is the point?  
I waited so long.  
I came to realize,  
I find it's not worthwhile.

How much is too much?  
How much is too much?  
You don't have to waste my time with you.

You say you have lost  
but you got a choice.  
You came to realize  
You'll find it's not worthwhile.

How much is too much?  
How much is too much?  
You don't have to waste my time with you.

How much is too much?  
How much is too much?  
You don't have to waste my time with you.

You don't have to  
You don't have to  
waste my time with you.
