Yes
I'm looking for a friend
Someone who would understand
What i really am
What i really am

So
I don't need to pretend
Put this charade to an end
Give truth another chance
Just another chance

Calm my fevered brain
Hold this heart and ease the pain
Call my by my name
I'd be glad to know
That I'm no longer alone again

I'm stealing glances at a scan
Searching for a waving hand
By chance, are you that
Friend ?
