

Title : Save Sex (The Sax & Blunder Mix)

Composer : X' Ho

Lyricist : X' Ho

Hey don't you say you're a victim of cruel fate
Yours is a voice cynical and bitter,
A violent choice

Finding no tomorrow
Only access to a pain
Devoid of love and courage
Just a will to mutilate
The voice of reason
Has given way to blame
When sex is just a blunder
Humanity's gone down the drain

(Chorus) :

Save sex
So you can have it
Save sex
To best enjoy it

R-u-b-b-e-r wear it
