

**Title : Save Sex (The Sax & Blunder Mix)**

**Composer : X' Ho**

**Lyricist : X' Ho**

Hey don't you say you're a victim of cruel fate  
Yours is a voice cynical and bitter,  
A violent choice

Finding no tomorrow  
Only access to a pain  
Devoid of love and courage  
Just a will to mutilate  
The voice of reason  
Has given way to blame  
When sex is just a blunder  
Humanity's gone down the drain

**( Chorus ) :**

Save sex  
So you can have it  
Save sex  
To best enjoy it

R-u-b-b-e-r wear it
