

Title : All Out

Composer : Famie Suliman

Lyricist : Famie Suliman

Hey! Look at what you've done
You are so demanding
You make me feel like in remand!

Hey! Don't you think you had enough,
making me sick not alive when you
sticking my side all the time.

Well every time I give myself all out
But you request for more.
Sometimes I needed space all by myself
But you wouldn't grant oh dear.

Say! I couldn't say no more
it makes me annoy you know?
And why don't you free me so....

Say! I could have been better
Stay out and just write a letter
but I know I don't hate her.

Well every time I give myself all out
But you request for more.
Sometimes I needed space all by myself
But you wouldn't grant oh dear.

You wouldn't grant oh dear.
