

**Title : Live It Up**

**Composer : Case Woo & Terry Lee**

**Lyricist : Terry Lee**

**Terry Lee rap**

**Verse**

I like my mornin sun shinning through the blinds  
I like my basslines phat pumpin through the alpines  
I like my women fly pretty face with a pretty smile  
I like my Friday night with the dj droppin my tune  
This right here is me, I'm on top of the world  
Hoppin hotel suites, bringin on the heat  
No other place to be but in my spot I rock  
Forever I be keepin it hot

**Chorus**

Live it up  
I only live for the good times  
Live it up  
Every show I'll be rockin  
Live it up  
If you feel it I can swing it live it up  
Come on baby we've already come this far so live it up

**(T. Lee rap)**

the feeling's grippin me, overwhelming me  
let the sun shine down on my face.  
I'll pull the best of me and make the best you see.  
Take everything out on my stride  
Cos you know that I'm with it and I won't settle for this  
Just wanna live it out on the top  
Been a long time and comin and I'll stay down for what I do  
Never settle for number two

**Chorus**
