She was the girl that you could see in pink bikinis  
made for keeps the semisonic slave of love you  
never knew until tonight oh! little missy won't  
you please just turn around so I could see I've  
never felt this way before I'm glad I've got  
this tape of yours I've been touched  
by a beautiful velveteen...,why  
did you have to be everybody's girl ?  
why did you have to be  
everybody's lurve? you are  
the woman of my dreams you  
are the master! you are the  
queen! please take the whip and  
teach me how to psyche  
myself up for tonight there  
was a time when I was down but you came on  
and I got up and there were times when I felt low  
but you begged me to do it slow
