

Title : The School Hymn

Composer :

Lyricist :

Far in the golden East there lies a shore
Where God Almighty doth his blessing pour
On sea-washed shores, our nation. Singapore
Alleluya

Here too at peace dwell men of every race
Chinese. Malay and Indian interlace
One heart, one hope, guided by God's good grace
Alleluya

Long may our country rest in wealth and peace
Forever bound by love and righteousness
'Neath God's good hand stretch'd forth to guard and bless
Alleluya.
