

Title : Fragile

Composer : VerticalRush

Lyricist : Nicholas Chim

I'm scared to breathe
My breath might blow you
To places I can't reach
Afraid to move
Cos My finger might just flick you away

Oh ...oh
You're fragile, so brittle **X2**

You wonder why
You've been stuck here
In this hard place
Its do or die
You either move on
Or end it all

Oh oh If I scream
Would you run away?
Oh oh I just want to love you
My little child
