Title : Dare To Dream

Composer : Mr Tay Hiang Soon

Lyricist : Maurice Lum

Chorus
All I dare to dream of things I never possess
    I dare to dream because I wasn't scared
    I dare to dream about the sea
    Even if there wasn't room for me

I dare to dream whenever I am feeling down
I dare to dream when people are not around
I dare to dream despite I fail
'cause I know life is not a fairy tale
