

Title : Unity

Composer :

Lyricist :

United like bees hard-work
Unity has made Singapore successful
Unity through four hands
Unity has brought fame to Singapore

People's Unity (United)
Brothers, sisters and neighbours
Think of unity always
In guarding the land carefully
Unity has given strength

Constructed with discipline
The airport depicts unity
Artistically brightened Singapore's beaches
Reflect our unity

Lightened-up homes in all directions
Are owned through our unity
And unity is the gift by people
To our freedom

People's Unity Practical Unity True Unity
