

**Title : It Wasn't Meant For Me**

**Composer : Dick Lee**

**Lyricist : Dick Lee**

**IVY**

Isn't loving strange  
Why do my feelings change?  
In a moment I've fallen  
And then nothing seems the same

**AH HOCK**

When I finally fall  
Every sound is her call  
And when I answer running  
I find no one there at all

**IVY**

If I just could know  
Whether being alone  
Would be better than loving  
Cos in the end you're on your own

**IVY & AH HOCK**

I suppose I'll see  
If it's meant to be  
Why did I fall in love?  
Maybe it wasn't meant for me

**IVY**

There's a voice in my head  
Saying leave right now instead

**AH HOCK**

And a sound in my heart sings  
Telling me to stay

**IVY & AH HOCK**

I suppose I'll see  
If it's meant to be  
Why did I fall in love?  
Maybe it wasn't meant for me...
