

**Title : Triple Uniquely**

Name me a country  
Where the radio and TV  
Newspapers dailies  
Are all controlled by the Govt.

See how powerful we are  
See how special we are  
How accomplished we are!

We're so uniquely  
Double uniquely  
Triple uniquely  
We're so uniquely  
A unique country  
No ordinary  
Country  
For you  
And me

(And just to be sure you believe it, one more time)  
So here's a country

We're so uniquely  
Double uniquely  
Triple uniquely  
And then, uniquely  
Extra uniquely  
Super uniquely  
That's right, uniquely  
Oh, I love that word —  
Uniquely!

(And that's why)  
It's so easy to fall in love **(2X)**  
It's so easy to fall for Singapore... Yeah!
