

Title : My Dream

Composer : Dr Tsao Chieh

Lyricist : Linda Fang

I had a dream, of days gone by
When we were young, and full of hope
The many roads we had to take
The many choices that we had to make
So that we have a place called home
Our island, city state, our Singapore

I had a dream of days to come
When we will grow, from strength to strength
The many changes we will make
The many challenges we'll undertake
And it's because, this is our home
Our island, city state, our Singapore
