

Title : Teenage Senorita

Composer : Iskandar Ismail

Lyricist : Wilson David

Teenage senorita I love you so
Teenage senorita this time I know
My love will be yours till forever
And I never will be untrue
My love belongs to you
My senorita

Saw you on the street, as you passed my way
Met you at the fiesta the other day
Kissed you and I knew at the moment
You have taken my heart from me
For all eternity
My senorita

Oh my darling when you threw the rose
The lovely rose you threw
That which was in your hair
And it doesn't matter where you are
You play the soft guitar
And darling I'll be there

And so my darling teenage senorita, it's up to you
Teenage senorita what will you do
Tell me that you love me completely
Won't you say that you'll be my queen
My lovely little teen, my senorita
Won't you say that you'll be my queen
My lovely little teen, my senorita
My teenage senorita
