## A WORLD WE'RE DREAMING OF

**BY NUS HIGH SCHOOL  
OF MATHEMATICS AND  
SCIENCE**

*Boats we are in life's great ocean,  
We sail the seven seas  
Watch the years fly by,  
And see where we are now*

*Uncharted seas are yours to name,  
Each storm that breaks is yours to conquer  
And it's yours to tame,  
Name yourself a survivor*

*When the ocean waves roar,  
And then together we'll soar*

*We are the time flyers,  
We paint the skies, the seas,  
With the colours of our own  
Take my hand, journey to the end with me,  
Let's create a world,  
A world we're dreaming of*

*We are the time flyers,  
We dance on wind and sky  
We'll light up the world,  
With fire in our eyes  
Let's create a world,  
A world we're dreaming of*

*Raise the curtains, this is your time,  
The limelight's on  
Let the sparkle of your voice chime,  
With a dream that climbs*

*Your audience is waiting,  
So come and take the centre stage  
And tell them your stories,  
With the sweetest charm*

*Don't listen to what they say,  
'Cause life's ours to design*

*We are the time flyers,  
We paint the skies, the seas,  
With the colours of our own  
Take my hand, journey to the end with me,  
Let's create a world,  
A world we're dreaming of*

*We are the time flyers,  
We dance on wind and sky  
We'll light up the world,  
With fire in our eyes  
Let's create a world,  
A world we're dreaming of*
