

Title : Ministers Pay-Pt. 1

Composer : X' Ho

Lyricist : X' Ho

Give us more money, so we won't be corrupt
With power in the money, we'll always be just
Pay us more than the world, we'll govern you well
You will give us the money, I know you will

Yeah-yeah-yeah, yeah-yeah-yeah

Reality requires competitive wealth
Give the robbers cash, so they will not rob
Give the cheaters wealth, so they will not cheat
It's all for your own good now, for industrial peace

Yeah-yeah-yeah, yeah-yeah-yeah

Give us more money, so we won't be corrupt
(Get a hold of this, y'all)
"It's not about the money"
Of course, it's not!
