

**Title : Children, The Leaders of Tomorrow (Children's Day)**

**Composer : Abdolah Lamat**

**Lyricist : S. B. Sebastian**

Children, our leaders of the coming years  
Be strong, work hard for better days ahead  
Learn to discipline yourselves  
So that you can excel  
And be proud of what you've done  
Learn to discipline yourselves  
So that you can excel  
And achieve what'er you want

**Chorus:**

Now let us learn  
And let us strive along  
Let us be proud  
Of where we all belong  
If we are one  
We can achieve our goal  
So let us show the world  
That we can master all
