

Title : Mitzi Gaynor

Composer : X' Ho

Lyricist : X' Ho

You're a Mitzi
A Mitzi Gaynor
The moment I saw you
You had me in your

In your grip
I wanna grip hard
I wish you would say
Come spend the night

(Chorus) :
I couldn't sleep for wanting you
I couldn't sleep for wanting you
I couldn't sleep, no no

So come to my world
Let me make you my own
I want you right now
With your skin and bones
Your sweet Mitzi gaze
Has held me transfixed
On your hip-bone laze
I see skin-to-skin days
I want you by my side
Okay forget about the days
Just come spend the night

(Chorus)

You're a Mitzi...

(Chorus)
