Sha / Cher This is once in a lifetime
Our footsteps are in line

PK/XY Heading to one direction
Accomplish a mission

Afh / Izma What we strongly believe
Are targets to achieve

Alan / Eug We work so hard together
To light up our future

Chorus

The Big Day
The Big Day
The Big Day
Big enough to celebrate

The Big Day
The Big Day
The Big Day
Big enough to commemorate
(Come celebrate, the Mayflowerian's Way)

Bridge

One of these days
We will walk on separate ways
But we know for sure
Down in our memory lane
The times we shared together
Indeed an eternal treasure
Take it with us wherever we go
In the years that follow
