**Composer : Dixie L.R. Ferdinands**

**Lyricist : Dixie L.R. Ferdinands**

**Chorus:**

Here comes the Rainbow,  
Here comes the Rainbow,  
Here come the Rainbow gang  
We do cleaning in style  
And it'll only take awhile,  
Cause we are the rainbow gang

The other brands they don't understand,  
That the way to make a cleaning needs  
Knowledge and style, high technology,  
reliability, practicality and design

**Bridge:**

There's nothing else like Rainbow  
Durable, economical,  
Put your faith in Rainbow,  
Its such an asset, you'll never regret
