Lyricist: Lum Yen Yi, Ong Ling Xuan, Dayne Teng (Cedar Girls' Secondary School)

Verse

Step into the MRT
Look around, what do you see?
Everyone's just looking at their phones

In the corridors of your HDB
Closed doors 'cause no one's free
And you sigh because it never feels like home

Pre-Chorus

Glum faces, tired eyes
From night time until sunrise
Oh, what you'd give just to see a smile

1st Chorus

"Hello", "Thank you"
Simple words encourage those around you
Just try to
A better world can start with you
A little kindness will do

2nd Chorus

It's the little things that matter
They make our daily life a whole lot brighter
Much happier
A better world can start with you
A little kindness will do
A little kindness will do

Pre-Chorus

1st Chorus
