Moderato Tempo

J. J. de Souza

Cour-te-sy is for free Cour-te-sy is for you and me It makes for gracious liv-ing and har-mon-y

1. Giv-ing a friend-ly smile  
2. Liv-ing could be a treat If  
Helping out when we can  
peo-ple are dw-fully sweet  
Try-ing hard to be po-lite  
all the time  
Cour-te-sy could be our

way of life It's rude to be a-bu-sive just to prove we're right. In- stead we could be nice a-bout it

if we tried  
way of life, Make  
Cour-te-sy our way of  
Life.
